DESCRIPTION OF MODULES

Module 1

Issue-Focused Ministry Training

Who For? For all who minister/pray for others in the church, especially Cell/Small Group Leaders, as well as those called as RTF Thorough Format Ministers.

You will be prepared to minister the Restoring the Foundations Integrated Approach to Healing Ministry as one who prays with others in your church. This training is especially applicable if you are a cell/small group leader who ministers to the members of your church or group. You will experience God's healing touch in your life and you will learn how to bring this same healing to another. You will do this in a safe environment, with experienced trainers present, following a well-structured script that allows you to learn the procedure simultaneously with learning how to work with the Holy Spirit. You will leave this training module knowing that you CAN be an instrument "useful to the master's hand" (2 Tim 2:21) and that the Holy Spirit WILL come and bring the healing. Experienced Healing House Network trainers will oversee the small group activations. (Ratio 1 trainer for every 9 students.)

Duration: Two Weeks—You are responsible for arriving no later than 5 PM on the starting day (Sunday) and leaving no earlier than the completion of the Celebration Meal on the final day (2 PM Saturday).

Module Contents

- Christian Fundamentals for the RTF Minister
- Application of Restoring the Foundations Ministry to several Areas of Wounding

Module 2

Thorough Format Ministry Training

Who For? For those called as volunteer church RTF Thorough Format Ministers.

This module is an intense “hands-on” apprenticeship learning and ministry experience. It takes you to the next level, which prepares you to lead the Thorough Format ministry as a RTF church lay minister to members in your local church.

You will (actively) observe an experienced HHN team minister this format to a couple (or two singles). You will then be prepared to bring this ministry (with your team partner) to one of the other teams attending module 2. An experienced Healing House Network trainer will directly train you during your “Lead” training “week.” (Ratio 1 trainer for every 4 students.) You will also receive 15 hours of Thorough Format ministry as a Ministry Receiver.

Duration: Four Weeks-- You are responsible for arriving no later than 5 PM on the starting day (Sunday) and leaving no earlier than after the Celebration Meal on the final day (2 PM on Saturday).

Module Contents

- Details of the Integrated Approach
- RTF Personal Ministry
- RTF Observation
- RTF Lead Training

Experienced HHN Team members will oversee all training.

Perquisites for each Team Member

- Have completed equivalent of Module 1. (May do this just before Module 2.)
- Have completed this application form.
- Have been recommended by their pastor or oversight person.
- Have been recommended by one person who has received RTF Issue-Focused Ministry from you. (Non-family members only.) (If you have just finished Module 1, this can be a person to whom you ministered in Module 1. Else it should be someone in your church to whom you have ministered.)
- Have been recommended by one other person who is not a family member.
- Be willing to participate in community service that allows reduced lodging/meals expense.

Module 3

Mentoring for HHN Qualification

Who For? For those called as five-fold RTF ministers.

If you are called to serve the Body of Christ as a RTF minister (along with your team partner), this module is for you. You may be called as a full-time RTF minister or the RTF ministry may be one facet of your ministry. Or you may be retired but would like to ministry once every month or so. In whatever way RTF ministry fits within your overall vision, this module prepares you to quickly reach the level of a Healing House Network qualified team. As a member of the Healing House Network, you will be positioned to more effectively help spread God's healing throughout the Church.

The training will be accomplished through two parallel, alternating activities. In the first activity, you will have direct, beneficial interaction with HHN trainers (the "mentor") as well as classroom and individual study. In the second activity, you (and your team partner) will minister the RTF Thorough format to five couples (or if a men's/women's team, to 10 men/women). You will minister as an apprenticeship team in the ITC Healing House under the direct supervision of a HHN trainer.

You will go through three different phases in this module. Phase 1 is one half week long, starting on Wednesday evening. Orientation, assignments, and instruction take place during this time. Phase 2 is 10 weeks long, consisting of 5 alternating weeks for the mentoring and classroom work and 5 alternating weeks of the ITC Healing House apprenticeship. Phase 3 is the Qualifying Week, the last week of the twelve week long module. You will be evaluated/qualified as you demonstrate your readiness and ability to function as a HHN team.

Duration: Twelve Weeks-- You are responsible for arriving no later than Wednesday afternoon before 5 PM and leaving no earlier than Saturday after 5 PM.

Module Contents

- Mentoring and advanced instruction in RTF ministry.
- Supervised apprenticeship training in the ITC Healing House.
- Evaluation/Qualification as a Healing House Network RTF Team.

Prerequisites for each Team

- Have completed equivalent of Modules 1 and 2.
- Have submitted a completed Application Form.
- Have been recommended by their pastor or oversight person.
- Have been recommended by two people who have been ministered to by the team. (Non-family members only.) (If you have just attended Module 2, this can be the couple/individuals to whom you ministered in Module 2. Else it should be people in your church to whom you have ministered.)
- Have been recommended by two experienced ministers, at least one of which is a HHN team member. (If you attended Module 2 just prior to Module 3, the HHN team member should be your trainer in Module 2. Else it should be a HHN qualified team that has trained you directly or that is ministering in your church.)
- Be willing to participate in community service that allows reduced lodging expense.

- Are prepared to submit their HHN application form before the Qualifying Week.
